E-Z FLOOR GUARDS™

THE MODERN, ECONOMIC ALTERNATIVE TO SHOE COVERS

Trimaco E-Z Floor Guards™ works by easily placing a sheet of adhesive plastic film on the bottom of your shoe or boot to avoid tracking dirt and debris into a house or clean room. Simply STEP, PULL and TEAR. No need to drop your tools and bend over to put on a traditional shoe cover. This recyclable film is easy to remove and leaves no residue, plus it's tough enough to keep floors looking new. Grabbing a tool from your truck? Simply reapply and double up the film as you re-enter the jobsite. Impress your customers with E-Z Floor Guards.

UP TO 250 PAIRS PER ROLL

PAYS FOR ITSELF + SAVES MONEY

ANTI STATIC

FITS ANY SIZE SHOE

LESS WASTE THAN TRADITIONAL SHOE GUARDS

PLASTIC FILM CAN BE RECYCLED

NO NEED TO DROP YOUR TOOLS + BEND OVER
